Career Intercom – Event Registration Process Flow

Attendee Gets Sign up Confirmation Immediately

Who can help me at this event?

Once you **enter** your **target** companies, locations, functions and/or positions, this section will match others who have **information** to share with you such as helpful company inside connections, helpful company recruiters, company primary contracting vendors, unadvertised leads, newly created positions, company pains, and environment. So **add more targets**, **search** to browse what others are sharing, or **learn to build your target list**, which is a critical first step to getting your dream job.

Whom can I help at this event?

Once you **enter** information to **share**, this section will match others who need to know what you have. So try **sharing more** like your last work place, your family's and friends' work places, places you've interviewed, where you volunteer, among others.

Attendees are incentivized to help themselves and others ...
By entering their **targets** and **shares**

4. Attendee know who can help them and vice versa

Attendees connect with each other before (during and after) the event with specific, actionable conversation starters
